#### INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Adaptive Community Approach Program, Inc. Waukesha, Wisconsin

We have audited the accompanying financial statements of Adaptive Community Approach Program, Inc., which comprise the statements of financial position as of December 31, 2019 and 2018, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Adaptive Community Approach Program, Inc. as of December 31, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### Adoption of New Accounting Guidance

NOTES TO FINANCIAL STATEMENTS December 31, 2019 and 2018

#### NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Nature of Activities**

Adaptive Community Approach Program, Inc. (ACAP) is a nonprofit corporation that teaches lifelong skills to people with disabilities to help achieve their individual potential and further enable them to become contributing and valued members within the community.

#### Accounts Receivable

Accounts receivable primarily represents amounts due from government agencies, managed care organizations, and individuals for recreational services, personal assistance services, and other similar services provided by ACAP. Accounts receivable are stated at the amount management expects to be collected from outstanding balances. As of December 31, 2019 and 2018, management has determined, based on historical experience, that all amounts are fully collectible and no allowance for doubtful accounts is necessary.

#### Promises to Give

Unconditional promises to give are recognized as revenues in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional.

#### Equipment and Leasehold Improvements

All acquisitions of equipment and leasehold improvements in excess of \$5,000 are capitalized. Equipment and leasehold improvements are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method.

#### Investments

ACAP reports investments in marketable equity securities with readily determinable fair values at their fair values in the statements of financial position. Unrealized gains and losses are included in the change in net assets in the accompanying statements of activities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statements of financial position.

#### Contributions

Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

NOTES TO FINANCIAL STATEMENTS December 31, 2019 and 2018

#### NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### **Donated Services**

Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by ACAP. Volunteers also provide various services throughout the year that are not recognized as contributions in the financial statements since the recognition criteria were not met.

#### **Revenue Recognition**

ACAP provides recreational services, personal assistance services, and other similar services to people with developmental disabilities. Revenue from these services is recognized at the point in time when ACAP provides the particular service. ACAP generally bills the individual or third party payor on a daily, monthly, or hourly basis based on approved unit rates in program service contracts. For program fees paid directly by individuals, ACAP generally bills the individual at the time of service. For services reimbursed by third party payors, ACAP generally bills the managed care organization or other payor on a monthly basis.

#### **Expense Allocation**

The financial statements report certain categories of expenses that are attributable to more than one program service or supporting activity. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include personnel, which is allocated on the basis of estimates of time and effort, as well as occupancy, telephone, printing and postage, insurance, conferences and meetings, repairs and maintenance, depreciation, and miscellaneous, which are allocated on a square-footage basis.

#### Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### Adoption of New Accounting Guidance

On May 28, 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2014-09, *Revenue from Contracts with Customers (Topic 606)*. The ASU and all subsequently issued clarifying ASUs supersedes the revenue recognition requirements and most industry-specific guidance in U.S. generally accepted accounting principles. The core principle of the new guidance is that an entity recognizes revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The new guidance also includes a cohesive set of disclosure requirements that will provide users of the financial statements with comprehensive information about the nature, amount, timing, and uncertainty of revenue and cash flows arising from the entity's contracts with customers.

NOTES TO FINANCIAL STATEMENTS December 31, 2019 and 2018

#### NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

ACAP adopted the requirements of the new guidance as of January 1, 2019, using the modified retrospective method of transition. In applying the new guidance, ACAP elected to use the practical expedient that allows the guidance to be applied only to contracts that were not complete as of January 1, 2019.

The majority of ACAP's revenue from contracts with customers is recognized at a point in time based on the transfer of control. In addition, the majority of ACAP's contracts do not contain variable consideration and contract modifications are generally minimal.

The adoption of the new guidance did not have a significant impact on ACAP's financial statements. The majority of ACAP's revenue arrangements generally consist of a single performance obligation to transfer promised goods or services. Based on ACAP's evaluation process and review of its contracts with customers, the timing and amount of revenue recognized previously is consistent with how revenue is recognized under the new guidance.

Also, on June 21, 2018, the FASB issued ASU No. 2018-08, *Not-for-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made.* The ASU provides a more robust framework for evaluating whether transactions such as grants and similar contracts with government agencies and others should be accounted for as exchange transactions (that is, revenue from contracts with customers) or contributions. The ASU also assists entities in determining whether a contribution is conditional. ACAP adopted the requirements of the ASU as of January 1, 2019. The changes in the ASU have been applied on a modified prospective basis, that is, the changes have been applied to agreements that are either not completed as of January 1, 2019, or entered into after that date.

#### NOTE 3—ENDOWMENT

At December 31, 2019 and 2018, ACAP's board of directors has designated \$19,769 and \$16,793, respectively, of net assets without donor restrictions as a general endowment fund to support the mission of ACAP. Since those amounts resulted from an internal designation and are not donor-restricted, they are classified and reported as net assets without donor restrictions.

ACAP established a component fund at the Waukesha County Community Foundation (Foundation) to invest and administer its endowment assets. The Foundation will make annual distributions of the income earned on the fund subject to the Foundation's spending policy.

The Foundation's primary investment goal is to deliver long-term investment returns sufficient to cover both spending and inflation to preserve the purchasing power of the investment portfolio. The Foundation seeks to achieve this goal through cost-effective implementation at an appropriate level of risk, diversification of asset classes and strategies to provide consistent returns, capital preservation in down market cycles to provide stability in spending support, and long-term capital appreciation through the incorporation of risk-based assets, including nonmarketable, illiquid alternatives.

Composition of and changes in endowment net assets for the years ended December 31, 2019 and 2018, were as follows:

	 2019	 2018
Board-designated endowment net assets at beginning of year Contributions Change in value of beneficial interest	\$ 16,793 - 2,976	\$ 18,132 150 (1,489)

ACAP's beneficial interest in assets held by Waukesha County Community Foundation represents an agreement between ACAP and the Foundation in which ACAP transfers assets to the Foundation in exchange for future distributions. The beneficial interest is not actively traded and significant other observable inputs are not available. The fair value of the beneficial interest is based on the fair value of the underlying assets as reported to ACAP by the Foundation. Little information about those assets is released publicly. The estimated fair value does not necessarily represent the amounts that may be ultimately realized due to the occurrence of future circumstances that cannot be reasonably determined.

The table below presents a reconciliation from the beginning balance to the ending balance of the beneficial interest in assets held by Waukesha County Community Foundation measured at fair value on a recurring basis using significant unobservable inputs for the years ended December 31, 2019 and 2018:

	 2019	 2018
Beginning balance Contributions Change in value of beneficial interest	\$ 16,793 - 2,976	\$ 18,132 150 (1,489)

ACAP also has a year-to-year agreement with First United Methodist Church of Waukesha (Church) for use of rooms with no required payment necessary under the agreement. The fair value of the rent less the amount of contributions made by ACAP to the Church is considered an in-kind contribution. ACAP made payments to the Church during the years ended December 31, 2019 and 2018 of \$24,335 and \$22,020, respectively, which represented, at a minimum, the fair value of the use of the space.

#### NOTE 9—SUBSEQUENT EVENTS

In 2019, ACAP received from a donor a restricted contribution of \$5,000 for the purpose of the Art Links expansion. In 2020, ACAP was notified by the donor that this contribution was repurposed for general operations. The satisfaction of the purpose restriction will occur in 2020.

As a result of the spread of the COVID-19 coronavirus, economic uncertainties have arisen which could impact investments, contributions, and operating results. The related financial impact and duration cannot be reasonably estimated at this time.
